

Authorization by Signature Form

This form is used to delegate approval authority for transactions pertaining to the P-Card, business travel, business hosting, and other approvals. It should be maintained locally in the department, although may be requested in certain cases (e.g., attached to a Concur Expense Report)*.

The approver should be in a <u>higher level position of authority</u> who is able to determine the appropriateness and reasonableness of the activity.

If the person in the higher level position of authority cannot serve as the approver, s/he should delegate the role to someone else (the "assignee"). When delegating the approver role, please note:

- The delegation should be in writing using this form.
- The person delegating does not give up their accountability.
- The assignee should be in a role independent of the submitter (i.e., assignee should not report to submitter).
- The assignee should have the authority and knowledge to assess the appropriateness and reasonableness of the activity.
