Touch
Screen

copy | print | scan | fax | email

COPY

- Place originals face up in the document feeder or face down on the glass.
- Press the Services Home button, then touch Copy.
- Select the number of copies with the alpha-numeric keypad.
- Change the copy settings as needed.
- Press the green Start button.

FAX

- Place originals face up in the document feeder or face down on the glass.
- At the printer control panel, press the **Home** button.
- Select the **Fax** Icon on the touch screen.
- Enter the **Fax number** by using the key pad on the touch screen, touch add then close.
- Verify defaults or change as desired.
- Press the **Start** button on the control panel to send your document.

SCAN TO E-MAIL

- Place originals face up in the document feeder or face down on the glass.
- On the control panel **Home** button.
- Select **Email Icon** on the touch screen.
- Enter the recipients address or select from the address book (if available). Select **Settings** on the Touch Screen (verify defaults or change as desired).
- Press the **Start** button on the control panel to send your document.

PRINT QUEUE INSTALLATION

Please remember, you can always install the printers you need by visiting mprint.umich.edu/maps for an interactive map view, or by directly visiting mprint.umich.edu/install.

If you are uncertain about installing this queue please check your email for information related to this transition, or contact the ITS Service Center (734-764-HELP or 4help@umich.edu) for more information.

ADDITIONAL CONTACTS

Questions regarding training - please call the Xerox Implementation team at (734) 615-4722.

For supplies or service - please call the Xerox Help Desk toll free at (855) 249-4213 or visit the Xerox Web Portal at <https://office.services.xerox.com/XSP/UMich>
